Praying For Our Community

Finding Joy in Suffering

Please mark your calendars for a very special event. Thursday morning September 20th we'll be celebrating our 60th Annual Community Prayer Breakfast. Our guest speaker this year will be Kate Merrick, author and co-founder of the Reality Church family with her husband Pastor Britt Merrick. Their story of losing their 8 year old daughter Daisy Love in her battle with cancer will give us a new perspective on the challenges we all face in life here on earth. *AND STILL SHE LAUGHS Defiant Joy In The Depths Of Suffering* was released by Thomas Nelson Publishing in March 2017. We've all been affected by our local disaster earlier this year and we hope this event may become a catalyst for healing for those who can join us to hear Kate's story. There truly can be joy found in the midst of suffering!

We hope you and your friends will be joining us this September
