

Praying for Our Community

Restoring and Changing Lives

Please mark your calendars for a very special event. Friday morning September 20th we'll be celebrating our 61st Annual Community Prayer Breakfast. Our guest speaker this year will be Jamie Shattenberg. He and his wife Alissa and children Isabella, Eliana and Gavin are traveling to Santa Barbara all the way from Madagascar to share their story. They serve the Malagasy people in a very special ministry through Eden Projects in restoring forests and changing the lives of the local citizens. The Republic of Madagascar is the fourth largest island in the world best known for its diverse ecosystems and unique wildlife. Over the past ten years the Shattenbergs have made great strides with God's provision in reforesting the land, reducing infant mortality and bringing the Gospel message to the local people. Come hear the amazing transformation that's taking place through God's miraculous work.

We hope you and your friends will be joining us this September
