WHY WE PRAY

"Our prayers may be awkward. Our attempts may be feeble. But since the power of prayer is in the one who hears it and not in the one who says it, our prayers do make a difference."

- Max Lucado

KEYNOTE SPEAKER: JOHN DAVIES

John is CEO and Chairman of Davies Public Affairs, which is consistently ranked among the top Public Affairs firms in the country.

He has been involved with Acres of Love (provides family homes for orphans in South Africa) and currently serves on the boards for Oaks Christian School and Calvary Santa Barbara.

Come listen to John share his thoughts on why we pray. Catch a sneak peak during an interview with Dean Wilson on Good Life TV at goodlifetelevision.org/watch.
